

Corona Policy 2020

Vienna Branch RSCDS

- Be responsible: Care for yourself and the other members of the club.
- If you were in contact with an infected person, possibly infected person or think you might be affected, we trust you stay away, so your fellow dancers are not exposed to the risk of becoming effected.
- We need you to sign a form providing your contact data for tracing and a waiver, that you agree with this policy and participate and dance at own risk.
- If afterwards you experience breathing difficulties, high fever, cough, loss of taste, etc., learn that you had prior contact to an infected person, or even worse get a positive test result, you need to contact Felix (felix.hamelbeck@gmx.at, 0664/4601981) or Joanna (joanna2008@gmx.at, 0699/11235588) as quickly as possible. We will distribute the information to the other dancers and provide the contact data of all participants to the health authorities, if they ask.
- Gloves are available for those who want to wear them.
- No food or drinks should be shared. Please bring your own water bottle.
- When you arrive, use the disinfectant provided. It is available all through the evening and you can reapply anytime.
- Do not sneeze or cough into your hands! Use a tissue or elbow instead to cover your mouth and nose.
- Enjoy the contact through dancing, but avoid any huddles and hugging.
- We will have frequent breaks to air the room.
- Per changing room only two people at the same time should change the clothing. Please consider, whether you can come already dressed for dancing. You can change the shoes in the dance hall as well.
